

Call for Speakers

29th Annual Environmental & Ground Water Quality Conference

When: March 7, 2017 - OSHA 8-Hour Refresher & SDAEP Annual Meeting
March 8 – 9, 2017 - Conference

Where: Best Western Ramkota Hotel - Pierre, South Dakota

The Environmental and Ground Water Quality Conference was started by the South Dakota Department of Environment and Natural Resources in 1989 as a means to periodically inform environmental consultants working in the state of any updates to the regulations. While the conference still performs this function it has expanded to include professional talks covering the environmental topics of the day and the latest technologies in assessing and remediating soil and ground water contaminated with agricultural chemicals, petroleum products, and other chemicals.

Program Format

General Topics

- Site Assessment
- Remediation Technologies
- Case Studies
- Risk Based Corrective Action
- Emergency Response
- Oil and Gas / Energy Development
- Pipeline Development / Safety
- Mining
- All Topics Related to Environmental Protection and Remediation

Presentations will be limited to 30 minutes including discussion.

Abstracts will be accepted until **February 3, 2017**.
Speakers will be notified of acceptance by **February 17, 2017**. Please limit abstracts to one page.
